-Laura hiked into Thousand Lakes. Lots of trees down, snow banks, unable to get stock in without a trail cleanup day.

Tentative Fish Plants:

June 30-Cone Lake, July 1- Caribou and July 8- Haymeadows

-All voted to cancel the general meeting that is scheduled on June 30th at Cone Lake Trail Head. Too dangerous with too many trees down/rotten logs/ fire debris. Fish plant only going to be open to board members, possibly at this time. More info to follow after trail is checked out next week.

-\$600.00 check for Caribou. Unsure at this time how to distribute it.
